DANVILLE PUBLIC LIBRARY

During the year, 113 purchased books and 90 gift books were added to the library shelves. Several hundred more were given but are not yet catalogued. We wish to thank all those persons who gave hardbound books and to the paperback shelf.

Story Hours for the children have been well attended. Watch the library bulletin board for date and time.

In the Fall, the State-wide Library Borrowers Card was initiated. Any college student or adult, in good standing, may request such a card which will enable him/her to borrow books from any other library in the state which also honors the card.

At our monthly meeting in November, we voted to open the library on Tuesday morning for an hour to accommodate the Jr. High School students who attend school in the afternoon and for other interested patrons. This has proven successful and it is hoped to expand this time to two hours.

On quarterly visits, the State Library Bookmobile loaned us 1,480 books. The librarian attended book meetings every other month to look at newly published books and to hear reviews.

The library is located on the first floor of the town hall. Hours are 10 - 11 a.m. and 4 - 6 p.m. on Tuesday and 7 - 9 p.m. on Thursday. Do come in.

SANBORN LIBRARY OF NO. DANVILLE

The Sanborn Library, located in the White Schoolhouse on Beach Plain Road, North Danville, is a family-oriented library with interesting, informative, helpful books available for all ages and many interests. That it should be so is quite right since its genesis is rooted in a family magazine exchange.

Under the aegis of the Village Improvement Society, it evolved into a real library between 1934 and 1935. It was then located in the Old Red Schoolhouse with Mrs. H. L. Sargent as its first volunteer librarian. A trust fund was provided and book donations were supplemented by books mailed periodically from the State Library in Concord.

Today, the Library continues the tradition begun in the 1930's of V.I.S. support, volunteer help, and State Library cooperation. But in a new and up-dated way.

Come in and inquire about Story Hours for the children, or read library notices on the door.

Come in and inquire about a card to enable you to borrow books from nearly every library in the State.

Browse through the broad-scope reference section for use in the Library.

And ask about reader services for everyone.

HOURS - WEDNESDAY - 3 to 6 - - - WELCOME!

REPORT OF POLICE DEPARTMENT

The past year has been a very challenging and difficult one for all law enforcement. Our Police Department is most fortunate to be in a town where citizens are concerned about friends and neighbors. Many thanks to all those who were so cooperative throughout the year.

Along with the increase in human population comes an increase in animal population. This department has tried to be understanding and conscientious regarding all areas concerned with animals, however, it is only with the full cooperation of animal owners, these problems can be minimized.

With the necessity of double school sessions, a feeling of possible increase in youth problems seemed inevitable, but to date we feel our youth can be commended. It appears we have a large per cent of fine young citizens who are a credit to their parents and the Town of Danville.

In July, this department assisted the Board of Selectmen in sponsoring a program on drug use and abuse, an area of great concern these days. Due to extreme heat, this program was not as well attended as we had hoped, but further programs will be forthcoming this year. Anyone desiring information regarding drugs should contact this department. Every effort will be made to obtain information and assistance.

You will note, under payments, the men of this department received payment for 602 hours. They also donated approximately 100 hours of time, as well as their own personal vehicles. This enabled us to stay within our budget figure allotted for salaries.

This department received over 400 calls this year and the following gives an idea of the areas of concern.

REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

The fire season of 1970 was not a quiet one in this area, on the contrary, it was a very busy time with some towns reporting a greater number of fires than in past years. This record is not good.

Both state and towns are striving to meet this challenge. Results show that we are not doing enough, we must do more in the matter of fire prevention education, a more active inspection program and a more prompt, complete investigation of fires where definite cause is not known with court action where the need is indicated.

We must insist that minor children are given needed supervision, this is a parent's responsibility.

Your Warden and District Chief stand ready to help in this work.

Our gratitude to all who have helped in forest fire prevention and suppression this past year and we look forward to this continued help in our effort to improve our good prompt detection system and fast suppression action. This, coupled with a good prevention program, will improve our fire record.

Follow these simple suggestions to help:

Set a good example for others by observing fire permit laws and regulations; take your debris and waste to the town dump; keep matches away from children and be sure your smoking material is dead out when discarded.

Number of fires reported and acres burned - 1970 season:

STATE	484 fires	244 acres
DISTRICT	189	170
TOWN	2	5-1/2

REPORT OF DANVILLE PLANNING BOARD

We herein submit our annual report for the year 1970.

At the Annual Town Meeting, the zoning laws and the revised building code as proposed by the Planning Board were adopted. These laws and the building code were then adopted by the Planning Board.

The Register of Deeds, Mrs. Holland, advised this Board via letter that she could no longer accept plats signed by the Board without the Town's having adopted the necessary laws. In fulfillment thereof, N. H. R.S.A. Chapter 36:19-29, 1955 as amended were adopted at a Special Town Meeting on July 7, 1970 and then adopted by the Planning Board.

The Planning Board wishes to express its appreciation and gratitude to Mr. Charles A. Huckins, Jr. for his liaison with Mr. Laurence R. Walker, a member of the Planning Board of Rye, New Hampshire, who presented us with a well-designed and up-to-date set of Land Subdivision Control Regulations for our information and use and to Mr. Willis T. Rich for his valuable advice and editing of these laws, rules and regulations and building code.

We are pleased to have had Rosemary Caldwell as a new member of the Board and are indebted to her for her competent manner in keeping accurate minutes of our meetings as well as in executing her other duties.

The resignation of Philip Emilio, Sr. from the office of Selectman deprived the Planning Board of a most knowledgeable and experienced and competent member, as well as a valuable adviser and leader.

We trust that these laws will be an important milestone to the management of this Town and will provide effective tools for efficient Town management.

Respectfully submitted,

WILLIAM H. BYRON
Chairman
